

Tam Integration Community Agreements

This is encouraged:

Talking with friends & making new connections around the world.

Setting up times to meditate together, online or in person

Discussing integration, preparation, science, art, literature, politics, laws, news, research, telling stories, music, & everything else your common sense should tell you is ok here.

Sharing reviews of new books, shows, movies, art, etc.

This is not:

Asking for drugs. Trying to sell drugs.

A place for to ask for referrals.

A place to promote your events, especially underground ones.

Being a jerk. Being a snob. Acting enlightened.

Hate Speech

Ad Hominem Attacks

Spam, Shameless self promotion

Agreements

1. Honor everyone's privacy with confidentiality (What) and anonymity (Who).
2. Don't ask about finding or selling drugs.
3. Zero harassment. Don't hassle people based on sex, religion, creed, gender, or whatever.
4. The psychedelic community is chock full of charlatans. Be critical in taking advice from people you don't know. Think for yourself. Question everybody. Except Daniel, just kidding, especially Daniel.
5. Don't spam us with all your stuff or try to sell us things.
6. Do not threaten to harm another person in any capacity. Respect other people's desire for privacy.
7. If you act crazy or are a generally nuisance, you'll probably be banned. It's likely that I'll reach out to resolve any issues once. Can't promise I'll do it twice.
8. Don't slide into people's DMs without getting their consent.
9. If you have a question about the content, it's best asked in the group chat so everyone can benefit.
